

Chair massages are available in the following lengths:

15minute- 12 minutes hands on, with a 3-minute turnover in between sessions

20minute- 15 minutes hands on, with a 5-minute turnover in between sessions

30minute- 25 minutes hands on, with a 5-minute turnover in between sessions

Turnover time is built into each time block so that therapists can disinfect their massage chairs, sanitize their hands, and so that they can stretch, *rest*, and take care of other human needs.

Lunch breaks:

one 10-minute break for every 4 hours a therapist is booked

one 30-minute break if a therapist is booked for 5 hours or more

Set-up and break-down:

30 minutes will be added to each booking, to cover 15 minutes of setup, and 15 minutes of breakdown, for each therapist.

In a nutshell:

Chair massage bookings are priced at \$125/hr/therapist. Please factor in lunch breaks as described above, and be aware that 30minutes will be added to the total booking time, to cover therapists for all their time (setting up, and breaking down).
